Each confirmed private garage allows 3 cars on track per its respective sessions - 6 cars can be active and on display in your garage over the two days. *LMP, and Single seater/open wheel sessions are strictly MSA licence holders only with previous experience (or at the discretion of the championship organiser or race team owner). **Downtime will be allocated accordingly throughout the day(s) and will be used if necessary for any delays on track. This is just a provisional schedule announcement ahead of the official timetable that will be published end September 2018, all sessions and timings are subject to change. All sessions will be subject to light and visibility throughout both days. Both days will be run under track day conditions, overtaking will only be with consent, racing each other is strictly forbidden, any such activity will see drivers and teams removed from the event without hesitation. Terms and conditions apply.

All on track activity run in collaboration with:
