TRACK TIME ENDS	

Each confirmed private garage allows 4 cars on track per its respective sessions - up to 8 cars will be active and on display in each garage over the two days. *LMP and Single seater/open wheel sessions are strictly Motorsport UK licence holders only with previous experience (or at the discretion of the championship organiser or race team owner). **Downtime will be allocated accordingly throughout the day(s) and will be used if necessary for any delays on track. Due to the nature of a LIVE track this is just a provisional schedule ahead of the event as all sessions and timings are subject to change based on the days on going activities. All sessions will be subject to light and visibility throughout both days. Both days will be run under track day conditions, overtaking will only be with consent, racing each other is strictly forbidden, any such activity will see drivers and teams removed from the event without hesitation. Terms and conditions apply.

All on track activity
